

## **Waukee Girls Youth Basketball Program**

The Waukee Athletic Department is proud to announce the inaugural season of the Waukee Girls Youth Basketball Developmental Program for grades 4 – 7. Head Coach Chris Guess and his staff will lead a comprehensive three-month program that will include individual player evaluation, individual skill development, and team competition.

Grade level tournament teams will be selected based on individual player evaluations during two try-out dates. Teams will then be formed and players will be able to register for the program. Teams will be coached by parent volunteers who will use the Waukee Girls Basketball Staff as their resource for skill development, practice templates, and their offensive and defensive system.

### **Each player in the program will receive:**

2 practice times per week (scheduled at a Waukee Community School District Gym)  
2 Tournaments per month (as scheduled by team coaches)  
Free admission to home Waukee Girls Basketball games  
Reversible Uniform top and shorts  
Waukee Girls Basketball Warm-Up Top
